FAMILY COUNCIL
CONSEIL DE FAMILLE

“Leading and supporting families in improving quality of life in Long-Term Care.”

ABOUT US:

Family Council is composed of family and friends of residents. It is dedicated to improving the quality of life of all residents through support, education and communication. The Council acts as liaison between families, staff and management to promote the health, welfare and happiness of all residents.

OUR GOALS:

- To inform and educate families.
- To share ideas for the purpose of problem solving.
- To maintain two-way communication between families and the facility.
- To advocate on behalf of all residents and families. A Family Council handles group concerns, not individual concerns. Family members with specific concerns should speak to Long-Term care staff and administration.
- To provide mutual support for family and friends of residents including those that are new to the facility.
- Benefit residents who are physically or mentally unable to voice their needs and concerns as well as those without family.
- To fundraise as needed.

“Sometimes, reaching out and taking someone’s hand is the beginning of a journey.”
