SENIOR MOBILE
DENTAL SERVICES

Introduction

At Senior Mobile Dental Services, we understand both the importance of maintaining good oral health for seniors and the unique challenges they face in accessing dental care. That's why we proudly offer comprehensive, high-quality dental services directly in the comfort of their long-term care facilities and retirement homes, ensuring a stress-free and convenient experience for them and their loved ones.

OUR SERVICES

Senior Mobile Dental Services brings convenient on-site dental care to residents who may face challenges visiting a traditional dental office. Our utmost priority is ensuring the safety, comfort, and overall welfare of each resident we serve. With careful consideration of written authorization and individual medical circumstances, we deliver personalized care tailored to meet their specific needs. Our on-site clinics provide comprehensive dental services, catering to both natural teeth and dentures, ensuring that every resident receives the highest standard of oral health care right where they reside.

Key Features

1 – Convenience at Your Fingertips

Eliminate the need for seniors to travel to a dental clinic. Our dedicated team comes directly to your long-term facility or retirement home, saving time and reducing logistical challenges.

2- Comprehensive Dental Care

From fillings and extractions (both simple and complicated procedures) performed by our skilled dentists, to thorough scaling by our dedicated hygiene team, which includes fluoride application and antimicrobial care, we ensure that every aspect of dental care is expertly covered.

3- Cutting-Edge Portable X-Ray Technology

With our state-of-the-art portable X-ray equipment, our dentists can conduct thorough examinations and develop tailored treatment plans

4- Qualified Team

Our team consists of dentists, dental assistants, and personal support workers (PSWs) to ensure a smooth and comfortable experience for both seniors and staff.

5- Expert Denturist Services

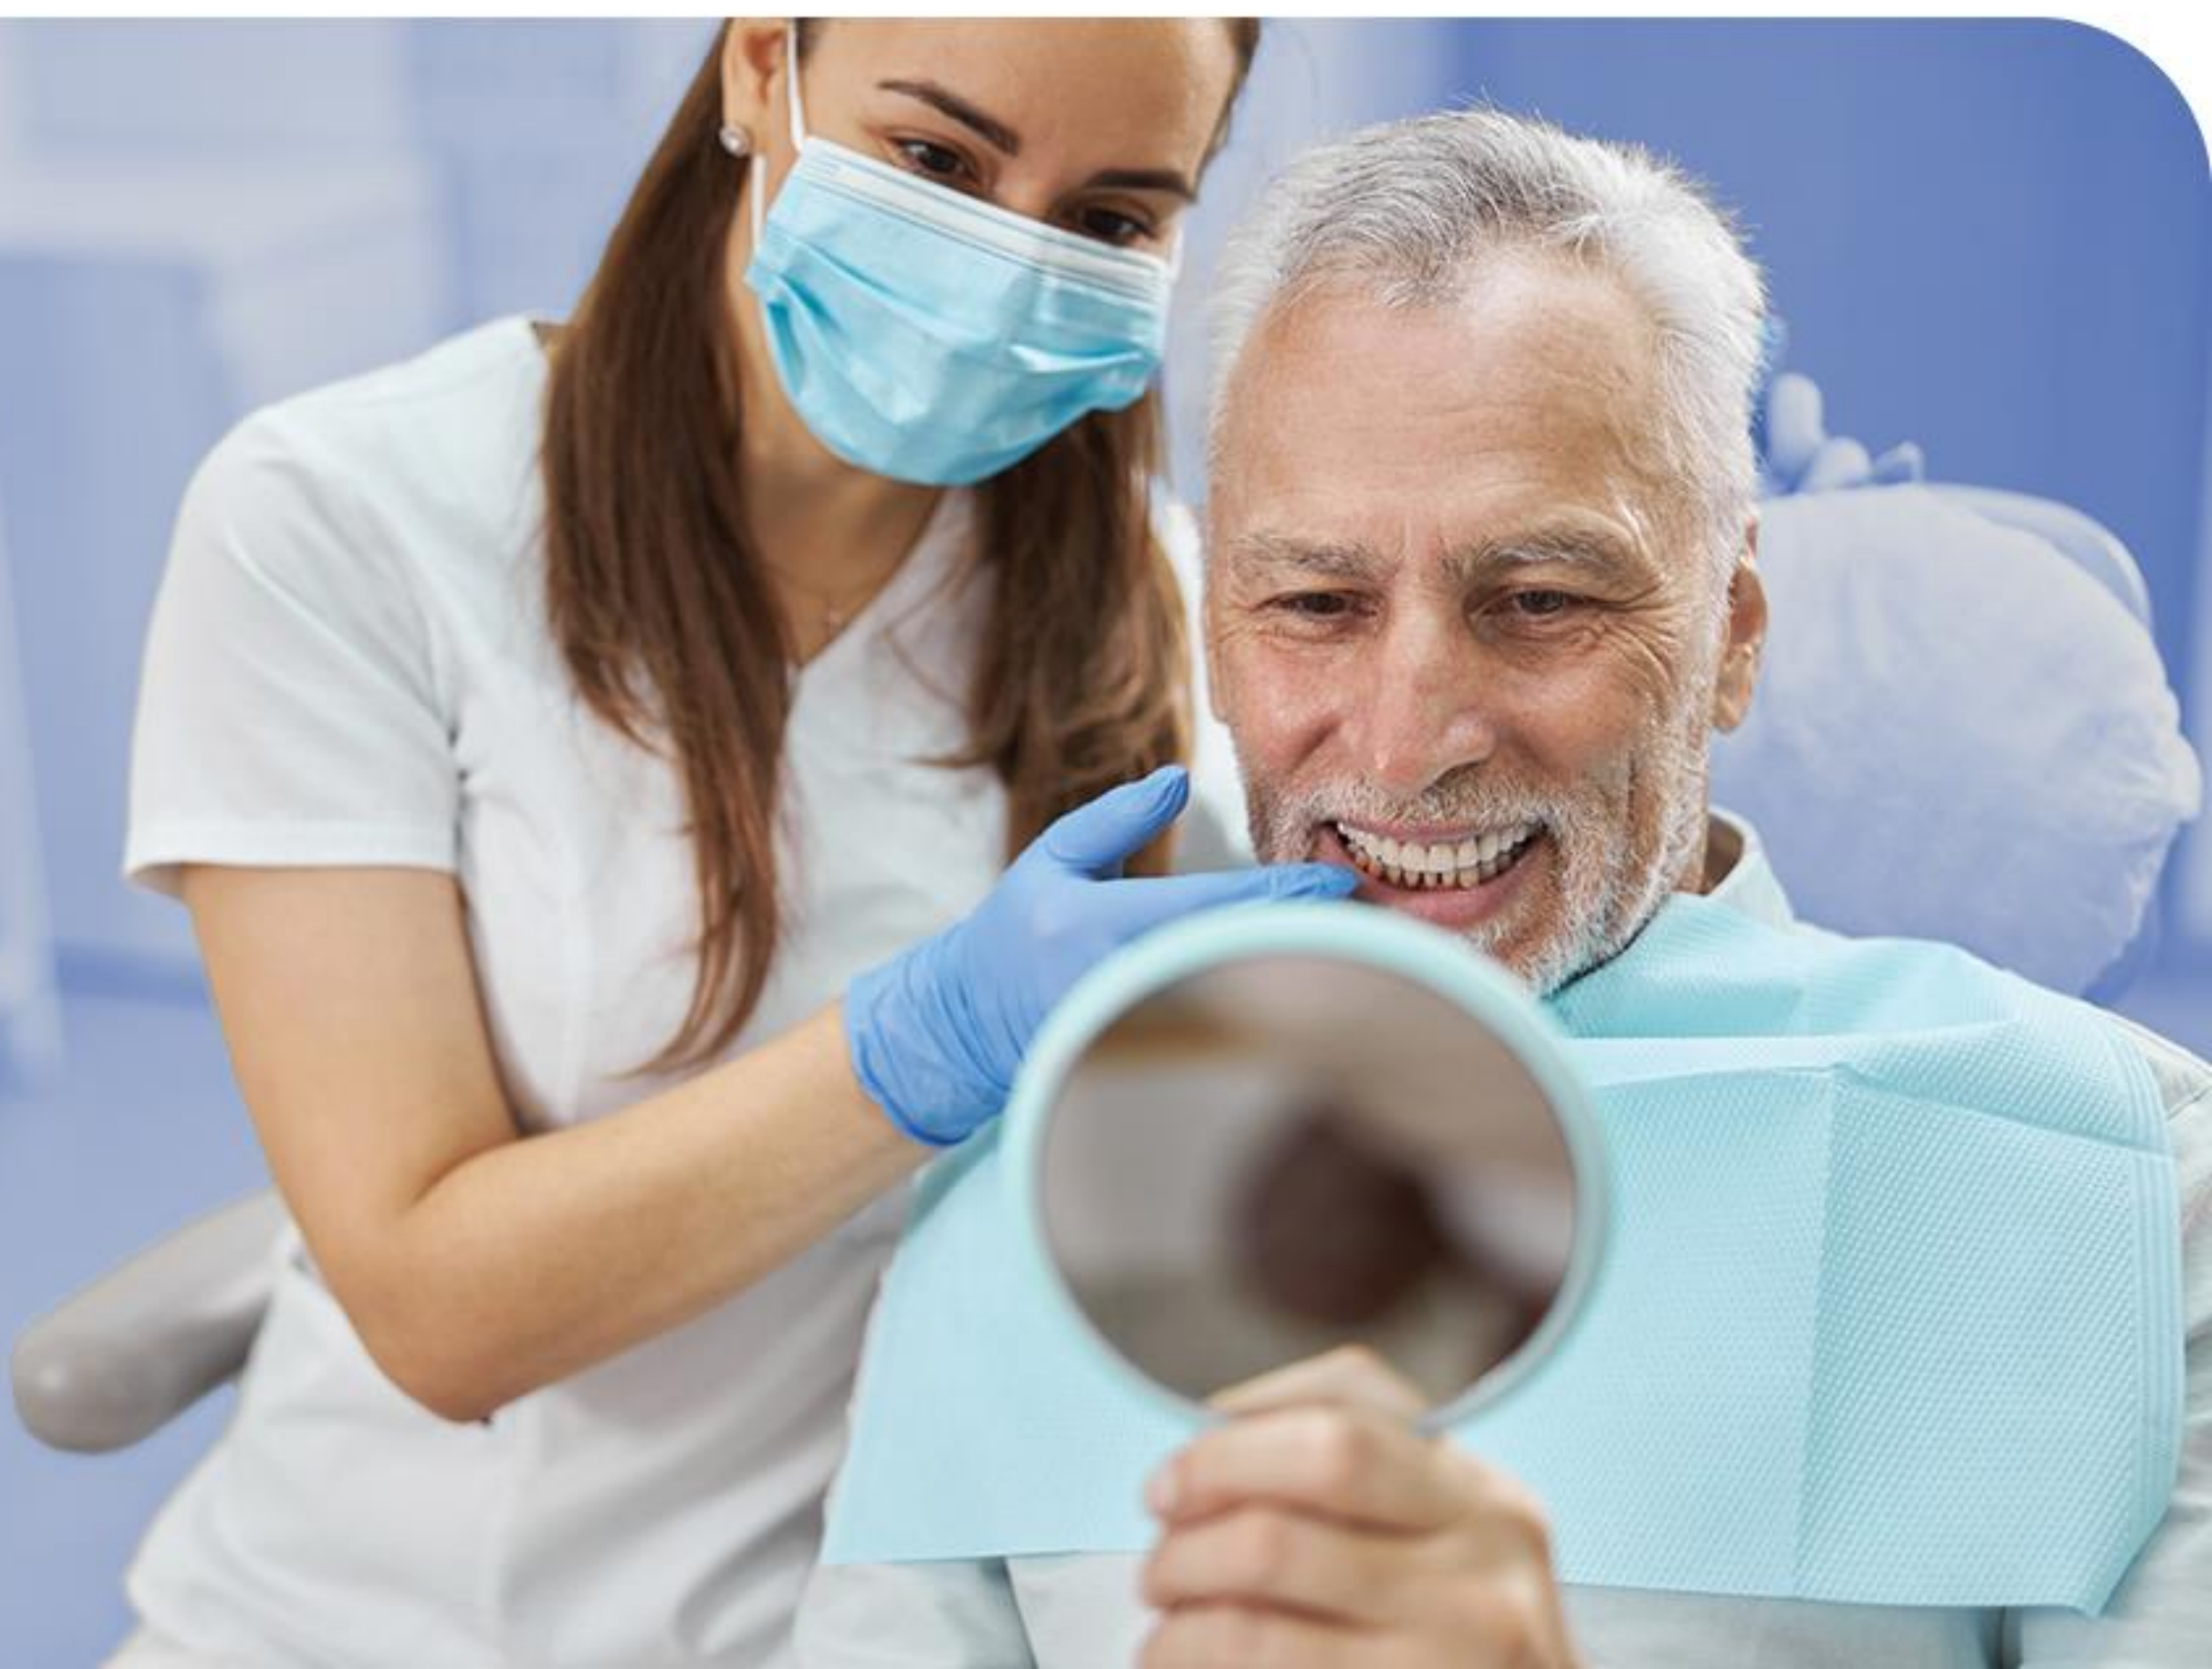

Our skilled denturists excel in creating personalized dentures, enhancing functionality and confidence in eating and smiling. From repairs to relining, cleaning to replacements, we offer comprehensive denture services to ensure optimal maintenance and customization, tailored precisely to your needs.

Give your loved ones the gift of a healthy smile. Contact Seniors Mobile Dental Services today to schedule an appointment and experience the difference personalized, compassionate care can make.

Dental Mastery

At Senior Mobile Dental Services, we're committed to providing comprehensive and compassionate dental care, tailored to meet the unique needs of our senior community. Let us bring the latest in dental technology and expertise to your doorstep, ensuring smiles shine brighter than ever before.
