

LIGHTS OF HOPE

Season's Greetings from our Home to Yours!

Our Lights of Hope Campaign is back for its 36th year! Your support has helped brighten the lives of those who call St. Joseph's Continuing Care Centre (SJCCC) home.

As we welcome this joyful season, St. Joseph's Care Foundation is once again filled with gratitude for the kindness and generosity of our community. Each twinkling light represents the hope and compassionate care that define SJCCC. With your help, we continue to provide the extra touches and essential equipment that make a real difference for the residents, patients, families, and staff.

Lighting the Way to Comfort and Healing

Thanks to your incredible generosity, we have accomplished so much together. From expanding our rehabilitation spaces to providing new opportunities for care and recovery, your support continues to create meaningful change. This year, your gift will help us purchase essential care equipment that supports healing, safety, and dignity, every single day. Together, we can make a difference.

Healing takes time, patience, and care.

For those living with surgical or chronic wounds, every step toward recovery can be challenging. A **wound VAC device** helps ease that journey, reducing infection risks, relieving pain, and restoring comfort. It provides our seniors with the opportunity to heal more quickly, regain their confidence, and move forward with renewed strength and independence.

Estimated cost: \$23,000

Every heartbeat tells a story.

By identifying changes in heart rhythms early, our care teams can respond quickly and provide reassurance when it's needed most. An **Electrocardiogram (ECG) machine** enables us to protect the health and safety of those we serve, ensuring timely care and preventing avoidable hospitalizations. It's one more way we care for the whole person, body, mind, and spirit.

Estimated cost: \$7,000

Warm meals nourish more than the body; they comfort the soul.

With the ability to prepare food that is fresh, flavourful, and served with care, **new dietary ovens** can ensure we can bring moments of joy and connection to every table. Shared laughter, familiar aromas, and the simple act of breaking bread together remind our residents that they are home, surrounded by compassion and a sense of community.

Estimated cost: \$10,000

Your Gift Brings Light, Love, and Hope

Every light that shines on York Street this holiday season tells a story: a story of compassion, community, and care. With your help, we can continue to bring comfort to those who need it most.

From all of us at St. Joseph's Continuing Care Centre and St. Joseph's Care Foundation, thank you for keeping the spirit of giving alive for 36 wonderful years.

Make sure to stop by SJCCC this holiday season and see York Street sparkle! May your holiday season be filled with peace, love, and hope.

Warmest wishes,

Carole Girard

St. Joseph's Care Foundation, Vice President
