LIGHTS OF HOPE

CENTRE DE SOINS PROLONGÉS ST. JOSEPH'S CONTINUING CARE CENTRE

ST. JOSEPH'S CARE FOUNDATION
14 YORK ST. CORNWALL ON K6J 5T2

Season's Greetings from our Home to Yours!

The magic of Lights of Hope is back for its 37th year! As the holiday season approaches, St. Joseph's Care Foundation is once again celebrating the kindness, compassion, and generosity that make our community so special.

For 37 wonderful years, Lights of Hope has brought neighbours, families, friends, and local businesses together to make a meaningful difference for the residents and patients at St. Joseph's Continuing Care Centre (SJCCC). Each light that shines is a reminder that no one is forgotten and that compassionate care, comfort, and dignity matter at every stage of life.

Lighting the way to comfort and care.

This holiday season, we're bringing forward three important improvements that will make everyday moments safer, more comfortable, and more enjoyable for those who call SJCCC home or turn to us for rehabilitation and care. Together, we can make a difference.

A good night's rest makes all the difference.

A comfortable bed can mean so much more than a good night's sleep. For our residents and patients, it can mean relief, security, and the ability to rest and recover with dignity. New beds will help our care teams provide safer, more comfortable care, making a difference day and night.

Made with care. Served with love.

Food brings people together. From familiar recipes to favourite meals, the simple joy of good food creates moments of comfort and connection. New commercial kitchen mixers will help our dietary team prepare nutritious meals with care, bringing a little taste of home to every table.

Because dignity is in the details.

A warm shower, a comfortable space, and a helping hand can make all the difference in someone's day. By improving our shower areas, we can create safer, more welcoming environments that support privacy, dignity, and the everyday comfort our residents and patients deserve.

Your gift brings light, love, and hope.

Every light that shines along York Street this holiday season represents something special: a community that cares. Your generosity helps us go beyond the essentials to provide the little comforts that make a big difference. Whether it's a restful night, a favourite meal, or a moment of personal care, your support helps make those moments possible. This season, help us shine a little brighter!

From all of us at St. Joseph's Continuing Care Centre and St. Joseph's Care Foundation, thank you for keeping the spirit of giving alive. May your holiday season be filled with warmth, peace, love, and hope.

Warmest wishes,

Lisa Ronkainen-Myre Carol Secord
